Quick coupling coupling sleeve

for diesel hose-G 1" female

Item number:	23 125
EAN:	4048358231253
Discount group:	D

Technical data

Connection:	G 1" female
Inner diameter (mm):	19
Wrench size (SW) (mm):	37
Materials	
Seals:	FKM
Body:	stainless steel
Cap:	POM
Cover:	silicone
Temperature range (°C):	-20 / +60
Temperature range (°F):	-4 / +140
Approved media:	diesel, fuel oil, lubricating oils
Dimensions LxW (mm):	40 x 91
Dimensions LxW (inch):	1,57 x 3,58
Weight (g):	268
Weight (lb):	0,59

Specification

- Silicone cover cap (80 676) to avoid contaminations
- Suitable for quick coupling plug (23 125)

Special notes

- Hose quick coupling for use in hose lines with high flow rates
- Low pressure loss
- Relatively low flow resistance due to largely dimensioned openings
- Recessed grips for better handling when disconnecting the hoses
- Individual parts made of corrosion-resistant stainless steel

Packaging

Packing unit:	1,0
